Reporting to: Head of Support Services

Location: Home based/Community

PURPOSE OF ROLE:

To ensure people living with cancer and their carers have access to the best help and support following a cancer diagnosis. To promote Tenovus Cancer Care and its services and support the development of links across the local community to improve access to internal/external service provision. To work with local agencies to create a partnership approach across the local community to facilitate the best holistic offer of support for people affected by cancer and their carers, paying particular attention to people who are seldom heard.

MAIN DUTIES AND RESPONSIBILITIES

Strategic:

- Develop and maintain a good knowledge of the wide range of services that Tenovus Cancer Care offer and work with other members of the support services team to promote the holistic offer
- Report and update on progress in an accessible way which increases understanding of local need and informs potential future direction of the initiative

Operational:

- Initiate contact and build relationships with local and regional organisations that support or treat people affected by cancer, to raise awareness of the services that Tenovus Cancer Care offer and foster joint working and potential collaborations
- Engage with people affected by cancer to identify their need for advice/information and support
- To create a referral network within the local community, after making links with local organisations, support groups and national organisations working in the area
- Support the design of internal referral mechanisms to deliver an effective and responsive service to people affected by cancer and their carers
- To create agreed promotional materials to advertise the service to enable access by the local community

- To define and carry out engagement activities to highlight the opportunities of working in partnership including workshops and other events
- To design and deliver (with the support of Community Engagement Champion volunteers) a range of presentations to advertise and promote Tenovus Cancer Care and the services
- Ensure that all the needs of people affected by cancer are considered in order to deliver a holistic service

People Management:

- To recruit, manage and coordinate a range of volunteer activities to achieve the objectives of this service working alongside our volunteer team
- To provide comprehensive training for volunteers on their job roles
- To work with volunteers to ensure there is clarity of process and messaging for them to deliver information on behalf of Tenovus Cancer Care
