

Volunteer Role Description

Role Title:	24 Hour Zumba Challenge – Event Support Volunteer
Department:	Income Generation
Reporting to:	Challenge Events Manager
Location:	Principality Stadium, Cardiff

Why am I needed?

This October we're embarking on one of our biggest challenge events to date for Breast Cancer Awareness Month. The 24 hour Zumba Challenge is going to be a Guinness World Record attempt and we'd love you to join us to help make it a success. We need help with all sorts of tasks over the 24 hours to help the event run smoothly and encourage our Zumba challengers to keep on going!

The reason we organise events like this is so we can support people with cancer, when and where they need us most. The funds we raise through this challenge will help us to fund vital research into finding new ways to prevent, diagnose and treat breast cancer.

Dawn was first diagnosed with breast cancer in 2014, and she turned to our Support Line for advice. Dawn says "being able to talk to someone at Tenovus Cancer Care and get an understanding of where I could get financial support from was invaluable. The advisor I spoke with had a real impact on my life at that moment and also helped me come to terms with my diagnosis."

With your support this event will help us to be there for more amazing people like Dawn, from diagnosis, through treatment and beyond.

What will I be doing?

- Registering Zumba participants as they arrive at the venue
- Welcoming participants and other supporters to the stadium and providing directions around the venue
