Nothing's Gonna Stop Us Now

Looking in your eyes, I
See a paradise.
This world that I've found
is too good to be true.

Ooh...

Ooh...

Standing here beside you,
Want so much to give you this love in
my heart that I'm feeling for you.

Ah...

Let 'em say we're crazy,
I don't care about that.
Put your hand in my hand baby,
don't ever look back.
Let the world around us
just fall apart.
Baby, we can make it
if we're heart to heart.

Ah...

- heart to heart.

- heart to heart.

CHORUS

And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us,
nothing's gonna stop us
(now.) 1st and last chorus only.

CHORUS

And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us,
nothing's gonna stop us
(now.) 1st and last chorus only.

CHORUS

And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us,
nothing's gonna stop us
(now.) 1st and last chorus only.

I'm so glad I found you
I'm not gonna lose you.
Whatever it takes,
I will stay here with you.

Ooh...

Ooh...

Take it to the good times,
see it through the bad times.

Whatever it takes
is what I'm gonna do.

Ah...

Let 'em say we're crazy,
What do they know?
Put your arms around me, baby,
don't ever let go.
Let the world around us
just fall apart.
Baby, we can make it
if we're heart to heart.

Ah...

CHORUS

All that I ever need.
Ooh.
Is hold you forever, ever and ever.
And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us now.

CHORUS

Ooh, all that I need is you.

And all that I want to do
Is hold you forever, ever and ever.
And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us now.

CHORUS

All that I ever need.
Ooh.
Is hold you forever, ever and ever.
And we can build this dream together,
standing strong forever,
nothing's gonna stop us now.
And if this world runs out of lovers
we'll still have each other,
nothing's gonna stop us now.
