

Sing For Life (Canwn Gân)

'Cause it's only a choice,
We all have a voice.

Ah...

So sing for life, sing for love,
Sing for all the things that you are
dreaming of.

-- the night alight.

Sing for hope, sing for strength,
Sing for ev'rything,
Keep singing 'til the end.

In a second life can change,
Don't let it slip away,
We've only got today.
Don't wait for life to choose,
It all begins and ends with you,
So what will you do?

Ah...

Beth wedet ti?
Os oedd gennyf gyfle 'to
I gael dy foment i ddisgleirio
Beth wnelet ti?
Dim ond dewis yw, ond dewis yw,
Ah.

Sing for life*, sing for love,
Sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
Sing for ev'rything,
Keep singing 'til the end.
No matter how hard life gets,
Sing for your life.

Canwn gân, cân i fyw,
Cân am gariad,
Cân am garedigrwydd yw.
Cân am glod, cân am ffydd,
Cân am obaith,
Am bob posibilrwydd sydd.
Sdim ots pa mor anodd yw,

***Semi-chorus:**

If you had a second chance,
if you could do it all again,
what would you do?
If you only had one more day,
to say the words you long to say,
what would you choose?
No mater how hard life gets,
sing for your life.
