

With a Little Help From My Friends

Would you stand up
and walk out on me?

I'm certain it happens all the
time.

I will try not to sing out of key.

CHORUS

Oh I get by with a little help
from my friends.
Ooh I get high with a little help
from my friends.
- try with a little help
from my friends.
- ooh, ooh, ooh.

What do I do when my love is
away?

How do I feel at the end of the
day?

CHORUS

I need someone to love.
Could it be anybody?
Woah, woah.
CHORUS

I can't tell you,
but I know that it's mine.
CHORUS

I need someone to love.
Could it be anybody?
Woah, woah.
CHORUS
- ah, ah, ah.

Oh I get by with a little help
from my friends.
Ooh I get high with a little help
from my friends.
- try with a little help
from my friends.
- ah, ah, ah.

With a Little Help From My Friends

What would you do
if I sang out of tune?

Would you stand up
and walk out on me?

Would you stand up
and walk out on me?

Lend me your ears
and I'll sing you a song.

I will try not to sing out of key.

I will try not to sing out of key.

I will try not to sing out of key.

CHORUS

Oh I get by with a little help
from my friends.
- high with a little help
from my friends.
- try with a little help
from my friends.
Ooh, ooh, ooh, ooh.

CHORUS

Oh I get by with a little help
from my friends.
- high with a little help
from my friends.
I'm gonna try with a little help
from my friends.
- ooh, ooh, ooh.

CHORUS

Oh I get by with a little help
from my friends.
Ooh I get high with a little help
from my friends.
- try with a little help

Does it worry you to be alone?

Does it worry you to be alone?

What do I do when my love is away?

How do I feel at the end of the day?

Are you sad
'cause you're on your own?

Are you sad
'cause you're on your own?

someone, to love.

Could it be anybody?

Would you believe in a love
at first sight?

Ooh...

What do you see
when you turn out the light?
