

## Nothing's Gonna Stop Us Now

Standing here beside you,  
Want so much to give you this  
love in my heart that I'm feeling  
for you.  
Ah...

- heart to heart.

And we can build this dream  
together, standing strong forever,  
nothing's gonna stop us now.  
And if this world runs out of lovers  
we'll still have each other,  
nothing's gonna stop us,  
nothing's gonna stop us now.

Take it to the good times,  
see it through the bad times.  
Whatever it takes  
is what I'm gonna do.  
Ah...

And we can build this dream  
together, standing strong forever,  
nothing's gonna stop us now.  
And if this world runs out of lovers  
we'll still have each other,  
nothing's gonna stop us,  
nothing's gonna stop us

All that I ever need.  
Ooh.

Is hold you forever, ever and ever.  
And we can build this dream  
together, standing strong forever,  
nothing's gonna stop us now.  
And if this world runs out of lovers  
we'll still have each other,  
nothing's gonna stop us now.

And we can build this dream  
together, standing strong forever,  
nothing's gonna stop us now.  
And if this world runs out of lovers  
we'll still have each other,  
nothing's gonna stop us,  
nothing's gonna stop us now.

# Nothing's Gonna Stop Us Now

Looking in your eyes, I  
See a paradise.  
This world that I've found  
is too good to be true.  
Ooh...

Ooh...

Standing here beside you,  
Want so much to give you this love in  
my heart that I'm feeling for you.  
Ah...

Let 'em say we're crazy,  
I don't care about that.  
Put your hand in my hand baby,  
don't ever look back.  
Let the world around us  
just fall apart.  
Baby, we can make it  
if we're heart to heart.

Ah...

- heart to heart.

- heart to heart.
