

Sing for Life - Canwn Gân

If you had a second chance,
if you could do it all again,
what would you do?
If you only had one more day,
to say the words you long to say,
what would you choose?

'Cause it's only a choice,
we all have a voice.

'Cause it's only a choice,
we all have a voice.

'Cause it's only a choice,
we all have a voice.

So sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end,
no matter how hard life gets,
sing for your life.

So sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end,
no matter how hard life gets.

So sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end.

Dim ond dewis yw, ond dewis yw,
Ah

Canwn gân, cân i fyw,
cân am gariad,
cân am garedigrwydd yw.
Cân am glod, cân am ffydd,
cân am obaith,
am bob posibilrwydd sydd.
Sdim ots pa mor anodd yw,
canwn i fyw.

Canwn gân, cân i fyw,
cân am gariad,
cân am garedigrwydd yw.
Cân am glod, cân am ffydd,
cân am obaith,
am bob posibilrwydd sydd.
Sdim ots pa mor anodd yw.

Canwn gân, cân i fyw,
cân am gariad,
cân am garedigrwydd yw.
Cân am glod, cân am ffydd,

am bob posibilrwydd sydd.

we'll sing to unite,
together we'll set the night alight.
Sometimes it's the smallest things.

Together we'll fight,
we'll sing to unite,
together we'll set the night alight.
Sometimes it's the smallest things
that help you survive.

Ah

Ah

Ah, the night alight.

Don't wait for life to choose,
it all begins and ends with you,
so what will you do?

In a second life can change,
don't let it slip away,
we've only got today.
Don't wait for life to choose,
it all begins and ends with you,
so what will you do?

In a second life can change,
don't let it slip away,
we've only got today.
Don't wait for life to choose,
it all begins and ends with you,
so what will you do?

Sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end,
no matter how hard life gets,
sing for your life.

Sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end,
no matter how hard life gets,
sing for your life.

Sing for life, sing for love,
sing for all the things that you are
dreaming of.
Sing for hope, sing for strength,
sing for ev'rything,
keep singing 'til the end,
no matter how hard life gets,
sing for your life.

Semi-chorus

If you had a second chance,
if you could do it all again,
what would you do?
If you only had one more day,
to say the words you long to say,
what would you choose?
No matter how hard life gets,
sing for your life.
